From Publisher : My Very First Encyclopedia with Winnie the Pooh and Friends: Animals before purchasing it in order to gage whether or not it would be worth my time, and all praised My Very First Encyclopedia with Winnie the Pooh and Friends: Animals:

0 of 0 people found the following review helpful. Great 1st Encyclopedia!By V. LambWe LOVE this book. It has great pictures and just enough info without being too overwhelming. My 2 year old looks through it all the time and we talk about basics, but it can easily grow with your child. He also loves that the Winnie the Pooh characters are present throughout the book. I think that keeps him engaged even more.0 of 0 people found the following review helpful. Five StarsBy Farelavery well loved book, great condition and beautifully made. my son loves it!!!0 of 0 people found the following review helpful. Five StarsBy Farelavery well loved book, great condition and beautifully made. very pleased
