**Patrick Nagel : Nagel: The Art of Patrick Nagel** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nagel: The Art of Patrick Nagel:

2 of 2 people found the following review helpful. Love Patrick Nagel, Don't Love "Nagel"By R. E. PopeLove the artist, don't love the book. Paper quality is acceptable, but ink prints are washed out and faded (and not just because of the print's age--I bought a like-new copy). The publisher could have done a lot more with layout, and they really should have sought higher quality images, because the resolution on these means you have a 12" tall book filled with 3" tall paintings. It's kind of ridiculous.That being said, who doesn't love to have Patrick Nagel ladies sitting on the coffee table to point at and daydream about and start conversation. Always a classic, even if this print kind of stinks.1 of 1 people found the following review helpful. One of my favorites!By Cherry pieI grew up with this art book as something I wanted aspire to as an artist, I used the images for inspiration and i was really sad when I lost my original copy. this was a pleasant surprised when I saw it for sale for so little on and the hardback edition no less, the seller was perfect and the book arrived very fast and I had no problems with it. I really love the artwork and some of my favorite prints by him are in this book i'm really pleased!0 of 0 people found the following review helpful. Very cool but has printing flawBy Tribal9I bought this as a Christmas gift for my mom, and while the artwork is beautiful, several pages towards the end appear to have two pages printed onto one.

A perfect gift book, this beautifully printed reissue presents the complete art of a tremendously popular artist, Patrick

Nagel. More than 100 4-color plates; 25 black-and-white illustrations. Shrink-wrapped.

From Publishers Weekly Nagel (1945-1984), who was well-known as an illustrator for Playboy, also created paintings, drawings, sculpture and other works of art, all of which are amply and richly represented in this collection. Copyright 1987 Reed Business Information, Inc. From the Publisher Preserves the rich legacy of one of America's most important artists with more than 100 full-color plates, 25 black-and-white drawings, two full-color foldouts, and a full-color catalogue raisonne of the artist's poster graphics.
