Pat Williams : Nail It!: 10 Secrets for Winning the Job Interview before purchasing it in order to gage whether or not it would be worth my time, and all praised Nail It!: 10 Secrets for Winning the Job Interview:

How can you be sure youll win that next job interview? Unless you have a crystal ball, a genies lamp, or a lucky rabbits foot that accurately forecasts the future, it is difficult to predict. NBA guru Pat Williams knows a trick or two

about what it takes to make the teams final cut. In this book, he shows you how to build a business network, plan your career path, package yourself to get the right kind of attention, and much more. The secret to nailing the job interview is to approach life as if every day is a championship game.
