**Tim Vincent : Nail that Interview: Answer Tough Questions, Make the Best Impression, and Get the Job** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nail that Interview: Answer Tough Questions, Make the Best Impression, and Get the Job:

0 of 0 people found the following review helpful. I now feel confident to dive head first into this interview and would recommend this book to anyone doing the same. By Customer I read this book for the first time this week in search of some advice for an interview I have on Wednesday. The book gives an all round view of how to approach a job interview and what to focus and not to focus on. I now feel confident to dive head first into this interview and would recommend this book to anyone doing the same!

The secrets to successful interviews from a top recruitment consultant. With the jobs market more competitive than ever, how do you make sure you stand out from the crowd? In this game-changing new book, a top recruitment consultant reveals the secrets to successful interviews. Packed with insider insights, tips, and advice, this book covers everything you need to know to secure your dream job and build a rewarding career. It explains how to write a winning CV that reflects your skills, ambitions, and values, and how to prepare for interviews, from your outward appearance to your mental attitude. It also offers tips on how to answer even the toughest interview questions. With a step-by-step program that puts you in charge of your future, it even covers how to use the interview to launch a brilliant career, making this the only career advice guide you'll ever need.

"How many 'land a job now!' self-help books are out there? And how many of those books counsel job seekers to thoroughly disrupt the traditional power balance between interviewer and interviewee? This tipping of the scales is at the heart of Vincent's book, and that's why it stands out of the crowd." Recruiter.com
