Cara Bristol : Naughty Words for Nice Writers: A Romance Novel Thesaurus before purchasing it in order to gage whether or not it would be worth my time, and all praised Naughty Words for Nice Writers: A Romance Novel Thesaurus:

8 of 8 people found the following review helpful. Too Hot for My ShelfBy Patricia GreenLike many writers, I have a

shelf of writing reference guides: thesauruses, dictionaries, style guides, and more. But I never had a book like *Naughty Words for Nice Writers*. Cara Bristol does a fabulous job suggesting alternate words to replace a variety of awkward standards, plus she offers some helpful writing tips in a concise, easy to understand way. I remembered why I do some of the things I do, and was reminded about best practices I've lost along the way. I highly recommend this book to new writers as well as seasoned professionals. It's on my shelf right now, but I think it's more likely to be by my keyboard more often. 7 of 7 people found the following review helpful. Recommend as THE definitive source for aspiring writers...By Christian Woman Excellent resource and a must have for any aspiring writer of romance. I had looked for many, many, many books that would help me with different words for different 'parts' and had been disappointed with the offerings until I ran into this little gem. I adore it, it not only gives the lists for different wording and phrasing of 'parts' and 'actions', it gives advice on what to avoid and why. It also gives tips on writing that are invaluable. I cannot recommend highly enough! 2 of 2 people found the following review helpful. Excellent resource! By Shifterlover I love this little book! There are a few romance novel tip books that have been valued resources in the past and this one has moved right into that category. The tips to avoid has already helped me weed out extraneous verbiage and helped to tighten my current WIP. Phrases for those body parts we all know and love can become a problem on occasion and it helps to have a reference with more suggestions to draw from. If you are a romance writer on the spicier end of the spectrum you have to get this book. (If only for the spanking chapter alone!) Excellent resource!

Publisher's note: *Naughty Words for Nice Writers* was originally published in 2015. It has since been updated with 800 more synonyms and a dozen new categories and writing guides. This is the updated version. If finding the right words for your romantic sex scene is challenging, *Naughty Words for Nice Writers* can help. USA Today Bestselling Author Cara Bristol has written a thesaurus for romance authors to help you find the appropriate words to make your sex scene sizzle. *Naughty Words for Nice Writers* is packed with more than 2,000 usable, functional synonyms geared for romance, erotic romance, and erotica. Included are more than 50 word lists for male and female anatomy, foreplay, orgasm, kissing, sex scene locations, specific sexual acts, sexual noises, spanking terminology, and much more. The guide offers suggestions on how to write a sex scene and how to tighten your writing so it sings. With an emphasis on verbs, this guide will help you "show" the intimacy between your characters rather than tell it. Whether you're writing a "fade to black" scene or a graphic and explicit one, *Naughty Words for Nice Writers* will provide the tools. Publisher's note: *Naughty Words for Nice Writers, A Romance Novel Thesaurus* is an updated version of the book originally published in 2015. This book contains 800 more synonyms and more than a dozen new word categories than the original.

About the Author USA Today Bestselling author Cara Bristol has written more than two dozen erotic romances. She was published by Loose Id, Decadent Publishing, Blushing Books, and Black Velvet Seductions before going Indie. She is best known for the Cy-Ops Sci-fi Romance series, the Breeder series, and the Rod and Cane Society spanking romance series. She holds a B.A. in journalism, but took several human sexuality classes in college because she thought they would be easy As. (Two were, one wasnt). Married with two grown step kids, Cara lives in the sunny state of Missouri where people often look askance when she tells them what she does for a living.
