Kaplan : NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam (Kaplan Nclex Rn Medications You Need to Know for the Exam) before purchasing it in order to gauge whether or not it would be worth my time, and all praised NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam (Kaplan Nclex Rn Medications You Need to Know for the Exam):

20 of 21 people found the following review helpful. Good ItemBy Eleni S.I didn't know what to expect when I ordered this book. Book is good at reducing the information from Davis into a "need to know" for the NCLEX. Book is actually a small pocket sized book and the pages are arranged to be cut into flashcards. Book came punctually and in great condition!9 of 9 people found the following review helpful. Perfect!By rachjcThis is the PERFECT pocket guide for drugs. I LOVE it! The only thing is that the book doesn't have an index and that you have to know the class of drug to be able to find it. Will definitely use this until it falls apart!7 of 7 people found the following review helpful. greatBy Knania Butlergreat study book for school/ prep. helped with assignments for classifications for homework. i would recommend it. good price for the book!

The most detailed, portable, and easy-to-use drug guide to help you pass the NCLEX-RN! Prospective nurses looking for the best guide on the market to help prepare them for the NCLEX-RN are turning to Kaplan. Nursing students are constantly on-the-go, and they need study materials that fit in with their busy lifestyle. Kaplan's NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam is the best pocket-sized and portable drug guide available for nursing students to assist in their preparation. In Kaplan's NCLEX-RN Drug Guide, you will find the focused, key information you need to learn about commonly seen medications on the test, including: Trade names, common names, phonetic pronunciations, and drug families for 300 frequently tested medications Detailed descriptions of nursing considerations and must-know side effects for each medication The latest Joint Commission-approved medical abbreviations for recording medication orders Kaplan teaches to the NCLEX-RN. We provide the tools students need to develop critical thinking skills to successfully answer exam-level questions. We review the nursing content that is frequently tested, but more importantly, we show students how to use this knowledge to make nursing judgments. This gives you the confidence and knowledge they need to walk into the exam prepared and ready to pass. With Kaplan's NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam, you know you are getting the most up-to-date, expert information available to prepare for the NCLEX-RN.

About the AuthorKaplan Nursing is the world's largest provider of NCLEX-RN exam review in live, live online, and self-paced classrooms. Its partnership with Lippincott Williams Wilkins also provides nursing schools with Integrated Testing, an easy-to-use benchmark testing solution that helps identify and remediate gaps in nursing knowledge.
