**Delorme : Nebraska Atlas and Gazetteer (Nebraska Atlas Gazetteer)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nebraska Atlas and Gazetteer (Nebraska Atlas Gazetteer):

It saved us from being stuck in post-eclipse traffic jams driving back to Omaha from the eclipse path. Our phones weren't able to get data, so we pulled out the gazetteer and were able to use the incredibly detailed maps to find backroads to clearer highways. We now plan to buy a gazetteer any time we venture into a new state where cell coverage will be uncertain. 0 of 0 people found the

following review helpful. Helpful in eclipse preparationBy GypsyRoverUsing the Wyoming and Nebraska DeLorme Maps and the Recreation maps for those two states, we were able to find a great location to view the 2017 solar eclipse without a tremendous delay when leaving (unlike those who just blithely bombed up I-25).2 of 2 people found the following review helpful. Good mapBy racrisjust what I wanted. It shows topo maps of the state. I have a few from other states as well.

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses.Nebraska Gazetteer categories Attractions Bicycle Routes Campgrounds Fishing Hiking Historic Sites Hunting National Lands Paddling Scenic Drives State Parks Recreation Areas Unique Natural Features Wildlife ViewingSuggested Uses In-vehicle for everyday reference Exploring back roads Outdoor recreation preparation and navigation Business travel Planning vacations and leisure activities Armchair journeys
