The chapters are indexed very well, allowing you to quickly find the topics you need the most. This is a very practical work that gets to the heart of what will really be effective in your job search! I actually called Kathleen to touch base and ask her a couple of questions . . . and she personally called me back that SAME day! She is the Real Deal . . . and her book is an outstanding tool for anyone looking for help in a job search!Thanks so much for your book Kathleen . . . and for your personal touch too!Steve RaemischGrand Rapids, MI0 of 0 people found the following review helpful. Effective strategyBy mwperinThis book takes a whole different approach to job searching than most how-tos. Kathleen lays out a basic strategy, step by step, for identifying what you are looking for and where/how to find it. She tells you what people you need to connect with, how to find them and what to say to them. The book is so well organized and concisely written that it doesnt take long to read through it and then go back and easily find the particular sections of relevance to you. I highly recommend it.0 of 0 people found the following review helpful. Effective, structured, and easy to follow guide lines for every job seeker.By Thomas Plocher"Network for a Job" is an easy to follow read, with highly valuable suggestions for taking a structured approach to networking. Ms. Connors has a fresh, common sense approach to identify quality contacts within and outside of your network.She provides step-by-step instructions for getting the information that will give you a competitive advantage. What sets this book apart from other business networking books is the long term experience the author has. She has seen it all! If you are a person who needs networking advice, you will get them here.I was searching for books about networking, which I can recommend to my clients. I would certainly recommend this book to everyone who needs basic networking advice, but also to everyone who needs to continuously improve his/her networking skills.

About the AuthorKathleen Connors has been connecting people with jobs for two decades. She continues to open doors for job candidates from the cube to the C-suite and from New York to California. As a guest lecturer Kathleen has shared her networking process with students at university MBA programs as Vanderbilt University, Purdue University and Cornell University. Financial corporations Morgan Stanley and HR Block have hosted Kathleen's job hunt seminars. Local Colorado civic groups and state workforce centers have requested her services. Kathleen's writings reflect the can-do entrepreneurial spirit. She has been featured in Entrepreneur magazine and won the Distinguished Womans Entrepreneur Award from Southern Colorados Womens Life Festival and Trade Fair. Technology continues to make changes in job search procedures and practices. Successful hires still require real conversations. Real conversations are facilitated by effective networking. Ultimately people hire people. Kathleen shares her proven process in her book, Network for a Job. Her website www.peoplehirepeople.com hosts additional job networking advice, articles and activities.
