**Joseph S. Kass MD JD, Eli M. Mizrahi MD : Neurology Secrets, 6e** before purchasing it in order to gage whether or not it would be worth my time, and all praised Neurology Secrets, 6e:

0 of 0 people found the following review helpful. awesome and very well.By Dunnlove it . for my family , perfect weight , perfect size ! cuts everything so neat ! I really recommend it ! very good. fast shipping,0 of 1 people found the

following review helpful. Five StarsBy Jose M Simongreat10 of 18 people found the following review helpful. Buy the hard copy OR get the previous editions...By GabsgirlBought the Kindle version. I wasn't impress. I liked the hard copy years back.. Very hard to adjust font sizes as you read thru the pages. Tables cut between pages. the text were printed not like the ones i used to read years back. The question and answer kinda thing is not prominent anymore but rather more of shortened text already.

Part of the bestselling Secrets Series, the updated sixth edition of Neurology Secrets continues to provide an up-to-date, concise overview of the most important topics in neurology today. It serves as a comprehensive introduction for medical students, physician assistants, and nurse practitioners, and is also a handy reference and refresher for residents and practitioners. Lists, tables, and clear illustrations throughout expedite review, while the engaging Secrets Series format makes the text both enjoyable and readable. New lead editors, Drs. Kass and Mizrahi, join this publication from a leading neurology program to lend a fresh perspective and expert knowledge. Expedites reference and review with a question-and-answer format, bulleted lists, and practical tips from the authors. Covers the full range of essential topics in understanding the practice of neurology. Features a two-color page layout and "Key Points" boxes to further enhance your reference power. Presents a chapter containing "Top 100 Secrets" for an overview of essential material for last-minute study or self-assessment. Fits comfortably in the pocket of your lab coat to allow quick access to essential information. NEW! Expert Consult eBook version included with purchase. This enhanced eBook experience allows you to search all of the text, figures, images, and references from the book on a variety of devices. Completely revised content covers all of today's most common neurologic conditions and their treatments. New lead editors offer a fresh perspective and expert knowledge.
