Scientific Publishing : Neurons Neurotransmitters Wall Chart: 8271 (Physiology) before purchasing it in order to gage whether or not it would be worth my time, and all praised Neurons Neurotransmitters Wall Chart: 8271 (Physiology):

0 of 0 people found the following review helpful. Great chart. The only reason I gave it 4 ...By DawnGreat chart. The only reason I gave it 4 stars is because even after having this for about 8 months, it still has not 'unrolled' from the original packaging, which is incredibly annoying.I am afraid to roll it in the opposite direction because it might bend the ends. This should have been rolled with the design side up to prevent this. You can still slide it into a plastic sleeve for shipping purposes. C'mon, guys.
