In addition to Word Search, I also bought this for friend's birthday. She has never had a Crossword Puzzle Dictionary and this was "frosting on the cake". Very happy not having to constantly struggle with an answer.

By Barbara J. Weber
This is a good dictionary for the crossword lover. It has so many good sections like Famous Names, Sports, Presidents, etc. This is the second copy of this that I have bought. The first one wore completely out. I finally threw it out when I received this one and it was in pieces and held together with rubber bands. I recommend it to puzzle solvers.

The essential tool for every crossword puzzle lover!
This updated and expanded third edition of the New American Crossword Puzzle Dictionary is a rich storehouse of indispensable information that puts the correct answer right at a puzzler's fingertips.
