**Editors of Consumer Reports : New Car Buying Guide 2005-2006** before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Car Buying Guide 2005-2006:

0 of 0 people found the following review helpful. Five Stars By Andre John great info - yesterday and now in case you looking for a used car 0 of 0 people found the following review helpful. Did not receive By Joseph R. Gage Although I did order this item, and am sure I would have enjoyed it, I did not receive the correct book, so I cannot review the product. I can say, however, that the vendor was very responsive in refunding my money. 0 of 0 people found the following review helpful. Car book By Irene J. Morton The car guide answered most of my questions but not all. It is a help in evaluating cars you might be interested in buying.

Consumer Reports is the definitive authority on unbiased automotive ratings. As stated in USA Today, "more than

40% of car shoppers use Consumer Reports for information....That makes Consumer Reports the biggest single source of information car buyers use."This latest edition of the New Car Buying Guide provides information on more than 210 new car models available in the 2005 car year. This essential guide offers all the tools necessary to negotiate the best price for the best car, including:- The most comprehensive reliability ratings available, based on Consumer Reports' Annual Questionnaire- 5 steps to getting the best price- Profiles on more than 220 cars, SUVs, minivans, and recommended vehicles in 15 categories- Crash-test results and key safety features- Guide to auto information on the internetWith the largest and most sophisticated auto-test facility in the world, Consumer Reports provides readers with the information they need to make the best car buying decision.

"Since its first auto test fifty years ago, Consumer Reports has become the No. 1 source that car buyers turn to when buying a new or used vehicle." -USA Today
