From Berkley : New International Dictionary of Quotations, 3rd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised New International Dictionary of Quotations, 3rd Edition:

9 of 10 people found the following review helpful. I adore this book!By Stephanie CranfordNot only do I use it to find

quotes for uses in papers and things like valedictory addresses, but I've gone through it and just read it for the sheer delight of finding new witticisms, new quips, new works of literature I should be reading . . . For anyone who has ever or ever will take an English class, this is the best place to start for quotes. For anyone who loves words, this is the best place to start. For anyone who wishes to sound like they've read all these books , this is the best place to start. When you really want *more*, there's the more specialized dictionaries, like the Dictionary of Quotes from Shakespeare from the same two editors. Other than that, I can't explain enough what a delight this book has been to me. Maybe some quotes: "Next to the originator of a good sentence is the first quoter of it." Ralph Waldo Emerson, *Compensation* "Intellect does not gain its full force until it attacks power." Mme de Stael. "Everything in life is somewhere else, and you get there in a car." E.B. White And that's only a start . . . 11 of 12 people found the following review helpful. Excellent Source of Quotes By A Customer When going online recently, and searching for a dictionary of quotations, i was looking for the legendary bartlett's, but was surprised to find none for sale anymore. after careful deliberation, i took a chance and bought the new international dictionary of quotations. it turned out to be extremely well-organized, with specific categories inside it. There were even subcategories!! As an AP english student, I must say this is one of the best quote dictionaries I have ever laid eyes on, and I have seen a LOT!! 6 of 12 people found the following review helpful. Don Folz shoots from the hip -- and misses By A Customer Mr. Folz has confused Ecclesiastes, a book in the Old Testament, with Ecclesiasticus (N.B., not Ecclesiasticus), which is a book in the Apocrypha.

This pocket-sized volume contains over 4,000 quotations of speakers, writers, entertainers, politicians, scientists, athletes, poets, and pundits throughout history. With over 400 quotes new to this edition, this is the largest, easiest to use, most up-to-date compilation in mass market form.

From the Back Cover Brings together over 4,000 quotations of speakers and writers throughout history -- from Homer, Shakespeare, and the Bible to Pogo, Mae West, Ronald Reagan, and many others, making this volume the best pocket-sized quote book available.-- Provides the tried and true quotations that people most often search for. The quote on the tip of your tongue is now at your fingertips.-- Distills the most memorable words of the past with a view to the concerns of today...filling the need for a comprehensive, up-to-date dictionary of quotations.-- Emphasizes American quotations and the words of "doers" -- politicians, entertainers, athletes, minority leaders, and others who have addressed topics of importance to our times.-- Arranged and cross-referenced in terms of subject, and indexed so you can find quotations by authors and key phrases. Compact and enjoyable to read, this is an ideal reference for students, business people, writers, aspiring MCs, public speakers, crossword puzzle fans, word buffs, and all users of the English language. About the Author Margaret Miner is a medical writer.
