**Lawrence O. Richards : New International Encyclopedia of Bible Words** before purchasing it in order to gauge whether or not it would be worth my time, and all praised New International Encyclopedia of Bible Words:

0 of 0 people found the following review helpful. small and concise and thorough for the price By Alejandro Gonzaganot terribly technical, but does a great job at discussing the meaning of most of the important words in the bible. i like it better than vine's. obviously not as thorough as a multi-volume set like New International Dict of New Testament Theology and Exegesis, but still great 0 of 0 people found the following review helpful. It's milk not meat By

Customer While it's a decent reference work as far as the content goes, every time I run across a word that I need to look up it's just not there. Too basic...I mean Sunday school basic!

Five Stars  
By Customer Great book to have. Greek and Hebrew interpretations are on point.

The Rich Meaning Behind the Hebrew and Greek Words of the Bible Whether you're a pastor, a student, or simply a lover of the Bible, this book helps you get more out of God's Word by revealing the original meanings of key biblical words. The reader-friendly, narrative style makes it easy to explore the Hebrew and Greek words that lie behind the English words. You'll discover significant shades of meaning and nuances that bring depth to your understanding of Scripture. This highly accessible reference tool surpasses the well-known Vines Expository Dictionary of New Testament Words in a number of ways: Thorough coverage of both Old and New Testaments gives you a firm grasp of the entire Bible. The Goodrick/Kohlenberger numbering system allows for accurate identification of Hebrew and Greek words. Top evangelical scholarship ensures current insights into the meanings of words. Biblical concepts are fully discussed, providing you not only with understanding, but also, where appropriate, with practical and devotional insights you can apply to your life. Entry words are taken from the NIV and the NASB respectively, the best-selling contemporary translation and today's most literal word-for-word translation. Major KJV terms are cross-referenced to broaden your understanding of translational nuances and distinctions. Four indexes include: Hebrew words, Greek words, Scripture references, and topical index. Exceptional value . . . Clear, precise, and balanced.  
James Montgomery Boice, Pastor, Tenth Presbyterian Church, Philadelphia  
A milestone in Bible study aids.  
Jerry E. White, Executive Director, The Navigators  
Zondervans Understand the Bible Reference Series This six-volume series supplies users of today's most popular modern Bible translation, the New International Version, with scholarly, economical, and uncompromisingly evangelical study tools. It includes the New International Bible Commentary, New International Bible Dictionary, New International Bible Concordance, and New International Encyclopedia of Bible Words, New International Encyclopedia of Bible Difficulties, and the New International Encyclopedia of Bible Characters.

From the Publisher When it comes to selecting a contemporary Bible translation that's reliable and easy to understand, more people pick the New International Version than any other. It's no surprise, then, that the best-selling translation is also the best-supported. From concordances, to atlases, to topical Bibles, to dictionaries, to software and more, beginning readers and scholars alike can choose from an enormous selection of study aids to help them get the most out of the NIV. And now Zondervan presents 4 outstanding hardcover NIV study tools in 1 practical, commonsense series--at prices too reasonable to resist! Zondervan's Understand the Bible Series is an exceptional value. Low price. In-depth information. And wide accessibility. Drawing on the finest in evangelical scholarship, each book is written in clear language that anyone can understand. No knowledge of Greek and Hebrew is required--just a desire to really know and apply the Bible. The 4-volume Understand the Bible Series includes: ? New International Encyclopedia of Bible Words--The rich meanings of 1,500 significant Bible words become clear with the help of this book. It offers a depth suitable for students and pastors, in language that anyone can easily understand. ? New International Bible Dictionary--More than 5,400 entries. Over 1,000 illustrations, maps, charts, and tables. Sixteen pages of maps and 16 pages of photos. From the well-known to the obscure, the International Bible Dictionary sheds light on the events, places, people, practices, and terms of the Bible. ? New International Bible Concordance--Over 250,000 references representing every verse in the NIV make this an invaluable resource for Bible study. This concordance is where to turn for locating NIV Bible passages and conducting word studies. ? New International Bible Commentary--Uniting an outstanding commentary with a thorough introduction to the Bible, this volume offers clear insight into the entire Bible from 43 leading evangelical scholars. The 230-page introduction provides a superb foundation for understanding the Bible.
