Ronald Porcelli : New York City's Oldest Restaurants, Bars and Bakeries: A Book on Living History before purchasing it in order to gage whether or not it would be worth my time, and all praised New York City's Oldest Restaurants, Bars and Bakeries: A Book on Living History:

Join us on a journey to uncover New York City's Oldest Bars, Restaurants and Bakeries. This is a one-of-a-kind, foodie's guide to New York City's dining history. This book contains a complete list of the 127 oldest dining establishments in New York City's five boroughs still open to the public today. The book tells the story behind each site and includes beautiful photos taken by the gifted photographer, Randhy Rodriguez. This book is a must have for any dining/history enthusiast visiting or living in New York City.

About the AuthorRonald Porcelli is an alumnus of The School of Visual Arts and a lifelong student of New York City's history. His work includes the illustrated works of Edgar Allan Poe, published by Lantern Press. Porcelli is the author of two books: Taking The A Train, Taking The 4 Train and two works of fiction.
