Sheri Spaine Long, Maria Carreira, Sylvia Madrigal Velasco, Kristin Swanson : Nexos (World Languages) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nexos (World Languages):

4 of 4 people found the following review helpful. Very Very Poor Condition - Unusable! By UnhappyI am VERY UPSET the seller would try to slip this book through the selling process and to a customer in such horrible condition. The binding is torn. This book must have been waterlogged or soaking in water and all the pages are rippled. The front cover is tapped with transparent tape, as if I was not going to notice. The original owner wrote a many notes on the pages. Pages edges are frayed. Simply a mess and creepy to even touch. I cannot study Spanish with a textbook in such disgusting condition! I would like satisfaction with a replacement or better - I way overpaid for something that should have been recycled. 1 of 1 people found the following review helpful. Better than I was expecting By Alex Bush First things first: This book does not come with the CD, so if you need book + CD for your class, buy it somewhere else. That being said, the book itself is pretty good. I bought it for beginner/intermediate level college Spanish class

and liked it quite a bit. I had taken Spanish in high school and hated it, so I was expecting to hate my life taking Spanish again in college. The homework on the CD is obnoxious and largely busywork (as to be expected), but I found the content and presentation to be very useful. I certainly have a much better grasp on the Spanish language now than I did two months ago. 3 of 3 people found the following review helpful. NexosBy azra The book I received was ripped and all the pages has writing on them. I wish the condition of the book was stated!

NEXOS, Third Edition, two- to three-semester introductory Spanish program's high-interest cultural themes and related activities encourage students to engage in meaningful communication using interpersonal, interpretive, and presentational modes. NEXOS's realistic pacing of material, easy-to-use grammar, practical vocabulary, plus engaging storyline and authentic video strands that contextualize grammar and vocabulary all work together to help students gain confidence and move quickly toward proficiency.

About the Author Sheri Spaine Long (Ph.D. UCLA) is Editor of *Hispania* - A journal devoted to the teaching of Spanish and Portuguese, the scholarly journal of the American Association of Teachers of Spanish and Portuguese (AATSP). Formerly a faculty member, department chair, and study abroad program director, Dr. Long rose to the rank of Professor of Spanish at the University of Alabama at Birmingham and was appointed Distinguished Visiting Professor at the United States Air Force Academy. Most recently, Dr. Long served as Professor and Chair of the Department of Languages and Culture Studies at the University of North Carolina at Charlotte. She is a specialist in language teaching and learning. A regular presenter and invited speaker at national and international conferences, Dr. Long delivered over 100 talks from Havana to Beijing and across the United States. She actively engages the field and continues to publish on the integration of leadership development and language learning, the language profession, and Madrid in literature. Dr. Long published more than 50 articles, chapters, and reviews and her recent co-authored textbooks published with Cengage include *Nexos. Introductory Spanish, 4th ed.*, and *Alianzas. Intermediate Spanish., 2nd ed.*, *Cuadros. Introductory and Intermediate Spanish.*, among others. She received the prestigious Steiner Award for Leadership in Foreign Language Education from the American Council on the Teaching of Foreign Languages (ACTFL) in 2009.

Maria Carreira is Associate Professor of Spanish at California State University, Long Beach. She holds a Ph.D. in linguistics from the University of Illinois, Champaign. Carreira has written linguistic notes, profiles of well-known Hispanics, and heritage learner annotations. She is active in issues relating to heritage learners.

Sylvia Madrigal, a Yale graduate, has been in the foreign language publishing field for about 20 years. She has worked at Houghton Mifflin and at D.C. Heath, where she helped develop and write activities for the award-winning *Dimelo* CD-ROM series. She has authored a variety of educational materials, including video scripts for HM's *TravelTour* video and *Caminos del jaguar*.

Kris Swanson has an M.A. in Hispanic Studies from Brown University. She has been in the foreign language publishing field for about 15 years. She currently works as a consultant and freelance writer, editor, and project manager.
