Giacomo Giammatteo : No Mistakes Interviews: How To Get The Job You Want (No Mistakes Careers) (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised No Mistakes Interviews: How To Get The Job You Want (No Mistakes Careers) (Volume 2):

0 of 0 people found the following review helpful. Unfortunately didn't work like I'd hopedBy

602joemamaUnfortunately didn't work like I'd hoped. The many parts about not rambling during the interview backfired on me in the interview but luckily the recruiter contacted me and went over how my passion for the job changed from the first 2 interviews to the 3rd. They gave me the feedback that they liked that I rambled because my passion shined through. Luckily the employer was kind enough to give me another chance and I came through with just being me.0 of 0 people found the following review helpful. Great book with excellent adviceBy ArtieNow that I've read and enjoyed this one, I just bought Giammatteo's earlier one on resumes. I loved the easy reading style that is packed with good information, solid advice and practical tips. Anyone who reads this book and does the "homework" will be assured of much better chances for successful interviews. With my own 40-years in corporate life, then authoring books in retirement on leadership and interviews, and making volunteer presentations to help others, I learned from this book. You will too. Artie Lynnworth0 of 0 people found the following review helpful. Anyone is prepared after reading this bookBy Cire6407I am preparing for an interview and this book came up on my ebook listings and it couldn't arrive at a better time. I am so comfortable in the preparation stage that the interview will be anxiety free. Him knows his stuff and I am thankful I get to take his advice into this interview.

The best candidate doesnt always get the jobthe candidate who interviews best does. No Mistakes Interviews will teach you how to: Prepare for the interview. Identify the companys primary need. Assess your skills as they relate to that need. Sell yourself as the solution. No Mistakes Interviews will help you get the job you want.
