Gerald Hill, Kathleen Hill, Nolo Editors : Nolo's Plain-English Law Dictionary before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nolo's Plain-English Law Dictionary:

0 of 0 people found the following review helpful. Five Stars By NikkiGreat product. As described. 0 of 0 people found the following review helpful. AWESOME By PHILLY PHAN THE BOOK WAS BRAND NEW AND WAS IN EXCELLENT CONDITION. IT HAD NO MARKINGS AND NO STAINS IN IT. THE PRICE WAS REALLY INEXPENSIVE AND THE SERVICE WAS EXCELLENT. IT WAS DELIVERED IN LESS TIME THEN THEY STATED. BUT IT IS LIMITED AND SHOULD BE USED AA A SUPPLIMENT TO BLACKS WHICH IS JUST TO HEAVY TO CARRY. 0 of 0 people found the following review helpful. I like it. Very good By Customer I like it. Very good.

Learn the language of the law, without the legalese! Open the average law dictionary and chances are you'll feel more

confused than before you read a word. Nolo's Plain-English Law Dictionary is different. From "abrogate" to "zero tape", we've cut down on the Latin and defined common (and some not-so-common) terms you can really use to understand and access the law. Set aside those dusty, outdated law dictionaries! Written for the 21st century, this essential reference contains complete definitions of the legal terms you need today. If you're a law student, paralegal, accountant, small business owner or librarian -- anyone whose work or life touches the law -- this fully up-to-date A to Z guide puts access to the law into your hands. Nolo's Plain-English Law Dictionary contains 3,800 plain-English legal definitions, including many newly coined terms you'll find online and off, such as "typosquatting" and "patent troll". Of course, if you need definitions for legal standards -- even when they're in Latin -- you'll find those here too. Plus, find a copy of the Constitution of the United States of America for your reference in the pages following the complete list of definitions.

"This law dictionary is the answer for those who struggle with legalese, whether it be the ordinary citizen just wanting more information about the law, those parties involved in a lawsuit, a small business owner, or a confused law student who simply does not understand all the jargon. Recommended." (CHOICE MAGAZINE 2011-05-19) "A unique combination of carefully researched legal scholarship and contemporary, real-world references." (SHELDON SIEGEL, New York Times bestselling author of Judgment Day 2009-04-22) "The perfect bridge between the dusty volumes that sit in law libraries and the quick hits of Internet dictionaries. If you want more information, it tells you how to find it. Including Supreme Court decisions and commonly referenced statutes is a huge plus." (ROBERT C. BERING, JR. Professor of Law, University of California at Berkeley School of Law 2009-04-22) "Explains thousands of common legal terms in a way anyone can understand. Anyone called upon to sign a confusing legal document or testify in court should have this book." (RODERIC DUNCAN, retired California Superior Court Judge 2009-04-22) "A wonderful resource for nonlawyers involved in the law. As a useful and often fascinating reference book, Nolo's Plain-English Law Dictionary clearly defines basic legal terms, elusive Latin phrases, the most up-to-date legal slang and arcane oddities. I highly recommend it." (CHUCK MARCUS, Head of Reference, University of California Hastings College of the Law Library, Northern California Association of Law Libraries (NOCALL) member 2009-04-22) "Explains thousands of common legal terms in a way anyone can understand. Anyone called upon to sign a confusing legal document or testify in court should have this book." "The perfect bridge between the dusty volumes that sit in law libraries and the quick hits of Internet dictionaries. If you want more information, it tells you how to find it. Including Supreme Court decisions and commonly referenced statutes is a huge plus."
