Nomadic Furniture 2By oldvetThis and its predecessor "Nomadic Furniture" (aka Nomadic Furniture 1) are, in my opinion, essential items on the home shelf. Both give a multitude of ideas for furniture, lighting, etc., that is easy to build, portable, eco-conscious (in many instances), and often just plain fun and funky!0 of 0 people found the following review helpful. Timeless design.By little bitIntriguing read. Exactly what we were looking for. It hails to a time when mid century modern furniture was king.

More about how to build and where to buy lightweight furniture that folds, inflates, knocks down, stacks, or is disposable and can be recycled - with many easy to follow illustrations.
