Laura Ziukaite-Hansen : Norwegian-English/English-Norwegian Practical Dictionary (Hippocrene Practical Dictionaries (Hippocrene)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Norwegian-English/English-Norwegian Practical Dictionary (Hippocrene Practical Dictionaries

(Hippocrene)):

1 of 1 people found the following review helpful. easy to use dictionary
By Happy Dog
This is a practical, easy to use dictionary. I have several documents written in Norwegian and I can find most of the words (some words are a little esoteric and unique to the topic). The book is well put together physically and easy to open to read the words in the center.
2 of 2 people found the following review helpful. Newer English-Norwegian/Norwegian Dictionary Highly Recommended
By John M. Carringer
Norwegian Practical Dictionary far exceeds my expectations. My favorite Norwegian dictionary is Einar Haugen's, but it is from the late 60's and needs updating. This one is by the far the best that I have seen among the newer ones. A Norwegian-English dictionary written for the English speaker wishing to learn Norwegian is hard to find.
1 of 1 people found the following review helpful. Buy this if you are casually or seriously learning Norwegian!
By Brandon
This is the most comprehensive Norwegian/English, English/Norwegian Dictionary that I have found anywhere. I've tried several others and the attention to details of this book surpasses all others. I highly recommend this if you are casually or seriously learning Norwegian. With 50,000 entries, this will cover every common word you can think of saying. I also recommend pairing this with their Beginner's Norwegian audio course as well. I've learned so much from both. Beginner's Norwegian with 2 Audio CDs

The most comprehensive 2-way Norwegian-English dictionary available, with over 50,000 entries. Entries include modern, up-to-date business, technical, and political terms with phonetic transcriptions for difficult or irregular words, to enable correct pronunciation.

About the Author
Laura Ziukaite-Hansen received her M.A. in Scandinavian Studies from the University of Wisconsin at Madison, and has taught Norwegian language and literature at the UW-Madison and UC-Berkeley. Currently, she is Director of Executive Programs at MIT's Sloan School of Management. She is the author of Beginner's Norwegian with 2 Audio CDs, also available from Hippocrene Books.
