This book is really great, it has opened many more opportunities for me to extend into a far wider range of words. It has opened a new perspective for my verse. I won't have to be repeating the alphabet time and time again. Thank-you Bessie, I wish I had found you sooner.

This little book is amazing. I write birthday/anniversary poems and put new lyrics to Christmas carols and pop songs for family and friends. I wish I had found it 20 years ago.

Purchased for grandson who says it is necessary to help him with his writing a book and he recommends it to others who are just starting out writing a novel or poetry.

The irresistible rhymes you need, in a book that's fun to read. An entertaining and browsable reference, *Nothing Rhymes with Orange* is to rhyme what *Every Good Boy Deserves Fudge* is to mnemonic devices. Revised and updated from the perennial seller *Capricorn Rhyming Dictionary*, this edition includes an introduction by children's author Hope Vestergaard, as well as a phonetic spelling guide, a key to rhyming sounds that are spelled differently, fun sidebars, and a list of poetic terms. Now anyone can quickly and easily find rhyming words that end in: -act (abstract, attract, bract, cataract, compact, contract, counteract, detract) -ipsy (gipsy, tipsy) -isp (crisp, lisp, will-o-the-wisp) and countless others!

About the Author
Hope Vestergaard is the author of *What Do You Do When a Monster Says Boo?*, *Driving Daddy*, and other children's rhyming books.
