I'm so happy that Writer's Digest does this version because it includes only relevant info for fiction writers and you don't have to lug around the full Writer's Market.Listings are completely up-to-date and trustworthy. But my favorite parts of the book are the articles. Great advice and info!5 of 5 people found the following review helpful. Solid reference bookBy DinkydorightThis is an "every year" purchase because I

like and need a comprehensive single source for this information. I begin with the many markets listed at the back of books such as *The Best American Short Stories ...* " From there I can double check information and then go to websites feeling confident I can sort spin from facts. *Writer's Market* books are solid reference books. 0 of 0 people found the following review helpful. Good Book for Reference Shelf By Thomas C. Tucker I was looking for the kind of information for the novel/short story writing field. This provides details about contacting prospective publishers.
