It really helped me understand what was going on in all my favorite Brit TV shows, and it helped some in the literature I read for school. Very nice book! I will take this with me if I ever end up in England for more than a Heathrow layover. 1 of 1 people found the following review helpful. Great gift for anyone going to

England. By Cbasing1 This book is awesome. Got it as a gift for a friend going to England, so she won't be left in the dark while in a Pub or anywhere. Its the same language but with the accent it will help make it easier to get the comments. 0 of 0 people found the following review helpful.
