I have given it to my sisters-in-law, nieces, daughter and friends as a resource re their bodies for over 35 years and I am confident in its accuracy and thoroughness. I am delighted it is published in Spanish. It is a national treasure.0 of 0 people found the following review helpful. Nuestros cuerpos, nuestras vidas le da continuidad a la tradición de *Our Bodies, Ourselves* al proveerles a las mujeres información acerca de la salud en una manera que reconoce sus historias personales, repletas con sus luchas y sus fortalezas. Nuestros cuerpos, nuestras vidas añade el elemento esencial de la imagen de relaciones basadas en la mutualidad que nos sostienen a nosotras y a nuestras vidas. El libro afirma las conexiones que las mujeres con raíz Latino Americanas o Caribenas, que residen en los EEUU, comparten con sus hermanas tanto en el norte y como en el sur, y ofrece una visión personal y política inspiradora para lograr cambios en nuestras vidas. Latinas en los EEUU, que aun mantienen fuertes lazos con sus países de origen tanto como con las comunidades multi-culturales en los EEUU, encontrarán en las historias y proyectos de las mujeres en América Latina y el Caribe fuentes de inspiración y acompañamiento afirmativo en su lucha por hacer lo mejor de la vida entre dos mundos.

"'Our Bodies' is Recast for Latina Culture" "(this) groundbreaking women's health book...roused its readers to question medical authority" -- New York Times, June 13, 2000  
About the Author  
The Boston Women's Health Book Collective is the former name of the nonprofit, public interest organization based in Boston, Mass., that develops and promotes evidence-based information on girls and women's reproductive health and sexuality. The organization has been renamed *Our Bodies Ourselves* after the landmark book it published in 1971, and which inspired this Spanish-language cultural adaptation.
