Santillana : Nuevo Diccionario esencial de la lengua española (Spanish Edition) (Dictionaries) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nuevo Diccionario esencial de la lengua española (Spanish Edition) (Dictionaries):

More than 38,000 entries and 6000 expressions and phrases. Information about the etymology of the terms, usage examples, grammatical observations, synonyms, antonyms, and word families. A wide repertoire of typical American

expressions, foreign terms, neologisms, and slang terms. Conjugation models for regular and irregular verbs and grammar tables. An appendix with a summary of Spanish grammar and the most frequent questions and errors in the use of the language.
