From Brand: Jist Works : Occupational Outlook Handbook 2002-2003 (Occupational Outlook Handbook (Jist Works)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Occupational Outlook Handbook 2002-2003 (Occupational Outlook Handbook (Jist Works)):

5 of 6 people found the following review helpful. Very good bookBy A CustomerAlthough I haven't read this book in print form, I have read it online for free. It's very authoritative and full of information. The only problem I have is that it lacks subjectivity: doesn't tell you the "problems" a certain career might have or its workload.In conclusion, every student or non-student who's just looking for a different career path will benefit from the info in this book.
