5 of 7 people found the following review helpful. Yo! What can I say?By Jon D.Word, This 'lil book has been hot fo 'bout a minute now. I have to say this book is da bomb. Before I was an imitator, now i'm a straight intimidator. No better how-to book exists to get you out there on the playing field on life and speak to the hood and represent. Major props RC Miller 'AKA' Danger M. Peace.
