Marvel Comics : Official Handbook of the Marvel Universe A To Z - Volume 14 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Official Handbook of the Marvel Universe A To Z - Volume 14:

Inside is just as new. Dustjacket has a bit of shelf-wear, but its better than I expected. Sometimes like new, isn't but in this case it surely was. Can't find this in paperback, so had to go

hardback. I wish they'd put this out in a two volume 600 page each set. I can spend hours just pouring through these volumes. You miss stuff and see new stuff everytime. I just like to sometimes grab a volume, open it up and start to read. Great stuff!
