A Kambule : Ongoing Foundation and Corporate Grants before purchasing it in order to gage whether or not it would be worth my time, and all praised Ongoing Foundation and Corporate Grants:

The purpose of this directory is to provide easy access to foundation grant information to grant seekers including grant professionals, nonprofits, libraries, schools, educational institutions, government agencies, and other organizations.

Some listed grants focus on funding a single subject area and others fund projects in multiple subject areas. The majority of the grants are for programs based in the U.S. with a few limited to state projects. The directory is arranged alphabetically by subject areas. Each entry has the following fields: Grantor Name, Grant Name, Contact, Email Address, Website, Amount, Grant Description, Eligibility, Geographic Limitations, Grant Type, and Notes.
