**From Dept. of the Army : Ophthalmic Care of the Combat Casualty (Textbooks of Military Medicine)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ophthalmic Care of the Combat Casualty (Textbooks of Military Medicine):

0 of 0 people found the following review helpful. Five Stars By G.C.OK0 of 0 people found the following review helpful. Amazing work on ophthalmic trauma By Diogo Cavalheiro This a perfect book if want to get into eye trauma. It covers almost everything you need to know. Great edition with quality paper and color ilustrations. Great value!

Explores the various natural and manmade challenges faced by todays soldier upon mobilization and deployment.

Offers comprehensive research on a range of topics related to preventive medicine, including a historic perspective on the principles of military preventive medicine, national mobilization and training, preparation for deployment, and occupational and environmental issues during sustainment.
