**Gillian Tierney : Opportunities in Holistic Health Care Careers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Opportunities in Holistic Health Care Careers:

0 of 10 people found the following review helpful. Regarding Naturopathy's Essential Science-Ejected Vitalism: By Robert J. Cullen This book abundantly illustrates the central figment of naturopathy: the science-ejected concept of vitalism {'purposeful life spirit'}. I quote: "naturopathic physician's use homeopathic treatments to strengthen the body's immune system to promote a lasting cure for health problems. Homeopathic therapies are medicines made from highly

diluted natural substances, where the substance that produces symptoms in healthy adults cures those same symptoms in ill adults. The remedies work on the body's energy level to strengthen the life force energy [p.088]. "Naturopathy's beliefs are triply science-ejected: vitalistic, spiritistic, and teleological.-r.c.

This is the most comprehensive career book series available, and it's still growing. Each book offers essential information for job seekers on getting started, obtaining training, education, advancement, salaries, job responsibilities -- and more. Canadian information is included wherever appropriate.
