Vibrant Publishers : Oracle DBA Interview Questions You'll Most Likely Be Asked before purchasing it in order to gage whether or not it would be worth my time, and all praised Oracle DBA Interview Questions You'll Most Likely Be Asked:

1 of 1 people found the following review helpful. NiceBy kodush01It's okay. There are some grammar error in this book and lots of repetition. It's okay. The book need to be reviewed by the author, line by line. The author will see some of the errors. Other than repetition, it is a good book.

ORACLE is arguably the future for enterprise information systems. Corporations, both large and small, are looking for resources who know their job in depth. ORACLE DBA Interview Questions You'll Most Likely Be Asked is a perfect companion to stand a head above the rest in today's competitive job market. Rather than going through comprehensive, textbook-sized reference guides, this book includes only the information required immediately for job search to build a career as a ORACLE DBA Professional. If you think this book just covers important topics in brief, then you are mistaken! It covers questions those are based on project knowledge and experience gained on successful high-profile ORACLE Database Administrators. This book puts the interviewee in the driver's seat and helps them steer their way to impress the interviewer. Includes: a) 200 ORACLE DBA Interview Questions, Answers and Proven Strategies for getting hired as a ORACLE Database Administrator. b) Dozens of examples to respond to interview questions c) 51 HR Questions with Answers and Proven strategies to give specific, impressive, answers that help nail the interviews d) 2 Aptitude Tests Software available as download on www.vibrantpublishers.com
