Delorme : Oregon Atlas and Gazetteer before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon Atlas and Gazetteer:

0 of 0 people found the following review helpful. An indispensable companion By B. Smith This gazetteer is indispensable. After going on several trips with friends who had this handy guide I knew I needed one myself. I am a lover of high-tech and download offline maps, but sometimes they fail to deliver at the most important times and if you travel like I do you often find yourself without reliable data connections when you are adventuring in the great

rural Oregon. A detailed paper map provides something that a cell phone or GPS cannot. You and your travel mates can gather around these maps and plan for a spontaneous adventure and feel comfortable flying by the seat of your pants. I just love how accurately this gazetteer outlines BLM areas, something that I find the alternatives to be much less reliable about. 0 of 0 people found the following review helpful. Great atlas
By Luna4I have a Delorme atlas for 11 US states. They're amazing; detailed, accurate, easy to read and aesthetically pleasing. The BLM land is easy to locate for free camping. Couldn't travel well without them! 0 of 0 people found the following review helpful. Saved the day on the solar eclipse!
By Joy PurdySaved the day for us on the day of the eclipse! The fog rolled in on the coast and we used this to head east and look at "points of interest" for a new spot. Found a beautiful reservoir had a wonderful view. We plan to use it to find places we've never known about here in Oregon.

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses.
