0 of 0 people found the following review helpful. Great Information SourceBy Andriy RazinkovLots of information for beginners. Has details for major parks, boat launches and river access points. Have to do some homework to get these spots onto your gps device, but like the booklet says, it's not for navigation0 of 0 people found the following review helpful. Limited review or Oregon WaterBy bwana2666Only contains details limited to major Oregon water bodies. However, it is better than most "Blue Ribbon" books of this genre in that the minor feeder creeks to the major waterways are at least listed.1 of 1 people found the following review helpful. Five StarsBy Pat ErdenbergerPerfect!
