You're busy, you're moving and you don't have time to read a long book or spend hours online searching for answers to your moving questions. Organize Pack Move! is the moving reference guide full of concise information to save you time, money and energy when you move. Written in a unique, one-page-per-topic format, Organize Pack Move! is divided into six sections: Preparation and Initial Decisions, Organizing for Your Move, Donating and Selling, Packing and Moving, Settling In, Checklists and Worksheets. The book's authors, Joan Hobbs and Nancy Giehl, are owners of a downsizing and relocation company, Simple Moves, located in Boulder, Colorado. They wrote this book after watching people make the same mistakes while moving; spending more money and wasting more time than they needed to and ending up emotionally and physically exhausted. Organize Pack Move! helps combat all those frustrations.
