Glad I found it By Customer Very helpful, it did have the pictures and was able to identify a lot of my indoor plants. Have had the book before many years ago but lost track of it. Glad I found it! 0 of 0 people found the following review helpful. plants By cntry1961 bought to replace the one my daughter lost. I love it and can identify the plants for my kids and tell them how to take care of them.

An A-Z guide to plants for indoor gardens, from familiar favorites to exotic species, this book describes almost 300

plants, with advice on watering, feeding, potting, and propagating them.
