Yee-Lum Mak : Other-Wordly: words both strange and lovely from around the world before purchasing it in order to gage whether or not it would be worth my time, and all praised Other-Wordly: words both strange and lovely from around the world:

2 of 2 people found the following review helpful. Clever premise and drawings, no pronunciation guideBy donnacooksLove this book and its illustrations but I didn't give it a five because it missed the obvious inclusion: how to pronounce all the lovely words in it. A phoenic explanation would go far to improve this. The words chosen are great, the illustrations are cute but aside from spending a long time on google trying to find the pronunciation it's a bit useless to try and learn how to use the words.4 of 4 people found the following review helpful. Other wordlyBy

VICKI NEWSOMEThe words and illustrations were charming, but no pronunciations! I would have loved to be able to say them6 of 7 people found the following review helpful. No pronunciation guide?By GothiCzarGood book, but very disappointed there was no pronunciation guide! If you're going to write a book on unusual words, then it seems almost a requirement you provide this. This lowered the rating considering the words presented originate from many different languages and need this guide for someone not familiar with all these languages.

Discover words to surprise, delight, and enamor. Learn terms for the sunlight that filters through the leaves of trees, for dancing awkwardly but with relish, and for the look shared by two people who each wish the other would speak first. Other-Wordly is an irresistible gift for lovers of words and those lost for words alike.

About the AuthorYee-Lum Mak loved long words best as a kid, but she's since learned that lovely words come in many shapes. She lives in Los Angeles.Kelsey Garrity-Riley studied illustration at the Savannah College of Art and Design. She lives in Brooklyn.
