Intertec : Outboard Motor Service Manual: Volume 1, 1969-1989 before purchasing it in order to gage whether or not it would be worth my time, and all praised Outboard Motor Service Manual: Volume 1, 1969-1989:

0 of 0 people found the following review helpful. i have an old boat motorBy jonnyfly69I found it in this book. I looked all over the net to find little to no info on it.I like the fact that I found it as even the company that made it is now an answering machine.leave name and number and address and we will get back to you. with a price list and order form.and have a nice day.0 of 0 people found the following review helpful. reviewBy HuapakechiSpecifications and data that can be difficult to find, and it covers just about every motor made in that horsepower range.0 of 0 people found the following review helpful. Five StarsBy billy robertsGreat resource for working on my small outboard

engines.
