**Trevor Wilson : Overcoming Gradversity: How To Break Into The Entry Level Job Market** before purchasing it in order to gage whether or not it would be worth my time, and all praised Overcoming Gradversity: How To Break Into The Entry Level Job Market:

Written exclusively from a student's perspective, *Overcoming Gradversity* guides new graduates through the daunting task of finding their first 'real' job after school. Providing insight gained from hundreds of applications, multiple interviews and the combined experiences of a wide range of job seekers, this book contains proven strategies for landing the job you really want.
