Martin Nixon, Lucinda Coventry, Alan Spooner : Oxford Colour Thesaurus before purchasing it in order to gage whether or not it would be worth my time, and all praised Oxford Colour Thesaurus:

A brand-new edition of this favourite thesaurus from Oxford combines a radically new open design, including two colour text, with up-to-date coverage. There are more than 150,000 alternative and opposite words, with the most useful alternative words given first to enable fast and easy access to the right word. Clear and comprehensive cross-

referencing gives fuller coverage, while the inclusion of more example sentences than ever before enables you to pinpoint the correct sense of the word accurately and quickly. This new edition replaces the previous edition of the Oxford Colour Thesaurus ISBN 0-19-860195-6.

About the Author Martin Nixon was formerly editor for English Dictionaries and Thesauruses at Oxford University Press. Lucinda Coventry was formerly editor for English Dictionaries and Thesauruses at Oxford University Press.
