**From Oxford University Press, USA : Oxford-Duden German Dictionary: German-English / English-German** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oxford-Duden German Dictionary: German-English / English-German:

0 of 0 people found the following review helpful. Great Dictionary!By slammedMy German friends were right, this is the best German-English dictionary out there.2 of 2 people found the following review helpful. Oxford Duden excellenceBy CKI am fluent in English (native language) and German and decided I needed a good dictionary. I am a translator and English teacher, and I find this dictionary is the best one I've seen so far for general English. Not as

complete as the Oxford dictionary by itself, but probably the most complete you can own, with excellent usage descriptions, grammar explanations, etc. It's also way cheaper in the U.S. than in Europe. Great buy!3 of 6 people found the following review helpful. great dictionaryBy M. Lohornlike all the oxfords, this is a weighty tome; well organized and easy to use.

This is a major new edition of the acclaimed Oxford-Duden German Dictionary, the result of a unique collaboration between two of the world's foremost dictionary publishers - Oxford University Press and the Dudenverlag. It has been completely updated to include the very latest vocabulary, with over 3,000 new words in each language, including blogger, destination wedding, and oxygen bar. Language is now studied in the context of its culture, so this new edition now includes cultural notes, providing interesting and helpful information on life in the German-speaking world. In addition, there are boxed notes offering help with language usage and construction, and a revised and updated centre section on correspondence. This includes sample letters, CVs, and emails, and new sections on text messaging and using the telephone, and has been reorganized to make the information more accessible. The design has been transformed by the use of colour and a new ultra-clear layout, making this dictionary easier than ever to use. It is an essential reference tool for all serious students of German at university level and beyond, and for those who need an authoritative and comprehensive guide to German.

"I have been a loyal user of Oxford dictionaries since my school days. In my current position as press attach at the German Embassy, I use the Oxford-Duden German Dictionary every morning to decipher the artfully crafted and pointed headlines of the British newspapers for the press review which I prepare every morning for the Auswrtiges Amt (Foreign Office) in Berlin."--Michael Fluegger, Press Attach, German Embassy, London
