Good Dictionary for recreational use!By Everett HallThis dictionary presents no significant change from the smaller paperback version, aside from the dimensions and construction. I bought the paperback as well, but the hardcover is more suitable for frequent useage. This is a really durable book, with a Smythe-sewn binding. The pages are thick, minimizing tearing. I'd say the \$35 price is legitimate!2 of 5 people found the following review helpful. ExcellentBy Hussein GhaddarIt's one of the best dictionaries you can buy. If you want a dictionary get this pronto.
