**Oxford Dictionaries : Oxford Essential Polish Dictionary** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Oxford Essential Polish Dictionary:

3 of 3 people found the following review helpful. It is sorta useful but...By LissaI bought this dictionary a while in my early stages of attempting to learn Polish. I have recently decided to try to get actual grammar practice in, instead of

the immersion learning via DuoLingo, specifically working on declensions. The lack of markings for each word indicating part of speech or gender is a huge hinderance, much more so than I had anticipated when I was reading about it in the reviews. Using other grammar books I can guess, but without a good way to identify the gender of a noun there is no way to know if you're actually declining it correctly or if it's an irregular noun which does something else completely. I don't regret the purchase, it works well enough for figuring out a new word, but it is nowhere near as helpful as it could be. 5 of 5 people found the following review helpful. Good Polish dictionary, BUT...By Ms Muffet It is as it says, a Polish-English, English-Polish dictionary which is what I wanted. The problem is that the print is so tiny that it's a chore to read. I have to use alighted magnifying glass. I wanted to use this as a reference book for my studies about Poland but I'll need one with larger print. This would be an excellent dictionary for a traveler going to Poland as it has a lot of content and is not too large. 5 of 5 people found the following review helpful. Missing the gender of nouns By NYC Plumber It does not include the gender of the nouns, which makes it difficult conjugating adjectives or pronouns, for that reason 3 stars.

The Oxford Essential Polish Dictionary is a new compact Polish-English and English-Polish dictionary that offers up-to-date coverage of all the essential day-to-day vocabulary, with over 46,00 words, phrases, and 57,000 translations. This dictionary is easy to use and ideal for students, travel, and quick reference. Designed for both native English and Polish speakers, the supplementary sections offer guidance on English irregular verbs and Polish declensions and verb tables as well as pronunciation help. The Oxford Essential Polish Dictionary is the ideal companion for anyone needing a reliable and portable Polish-English and English-Polish dictionary for study, work, or travel.
