**David Crystal, Ben Crystal : Oxford Illustrated Shakespeare Dictionary** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Oxford Illustrated Shakespeare Dictionary:

0 of 0 people found the following review helpful. Five Stars By Pamela A. Monteleone Both Crystal and Crystal dictionaries are wonderful. I use them whenever I teach Shakespeare. 0 of 0 people found the following review helpful. Five Stars By Customer Bought as a gift lovely book 1 of 2 people found the following review helpful. Five Stars By HZ as it described.

The Oxford Illustrated Shakespeare Dictionary is the first of its kind, a brand new illustrated alphabetical dictionary of all the words and meanings students of Shakespeare need to know. Every word has an example sentence selected from

the twelve most studied plays including Macbeth, Hamlet, Romeo and Juliet, A Midsummer Night's Dream, and Henry V. Usage notes and theatre notes provide additional background to Shakespearean times and the performance of his plays. Further support is provided by language panels on select topics like the humors, swearing, and stage directions, and full-color illustrated thematic spreads on special feature topics from clothes and armor to music and recreation. The dictionary is easy to use with its clear signposting, accessible design, and expertly levelled contemporary look and feel. It is the perfect support for a better understanding of Shakespeare, created by renowned authors Professor David Crystal and actor Ben Crystal, a father and son team who combine for the first time the academic and the theatre, bringing together language, literature, and lexicography in this unique Shakespeare dictionary of global appeal.

"Targeted especially to high school students, this appealing reference explains 4,000 Shakespearean words with examples from the 12 most studied and performed plays." --Library Journal

About the Author David Crystal is known throughout the world as a writer, editor, lecturer and broadcaster on language. He has published extensively on the history and development of English, including *The Stories of English* (2004), *Evolving English* (2010), *Begat: The King James Bible and the English Language* (2010), *The Story of English in 100 Words* (2011), *Spell It Out: The Singular Story of English Spelling* (2012), and *Wordsmiths and Warriors: The English-Language Tourist's Guide to Britain* (with Hilary Crystal, 2013). Ben Crystal is an actor, writer, and producer. Along with books co-written with his father, he wrote a series of introductions to Shakespeare's plays for Arden called *Springboard Shakespeare* and his *Shakespeare on Toast* was shortlisted for the Educational Writer of the Year Award. He and his ensemble perform Shakespeare in original pronunciation (OP) and give workshops around the world.
