Purchased as a gift for someone else.By TntipsySorry I don't have feedback for this item.1 of 1 people found the following review helpful. My opinion re. the Oxford Large Print ThesaurusBy Brid FoleyVery disappointed with the thesaurus. When I go into the thesaurus it opens at Aa and is perfect. Alas if I want a word beginning with a different letter, C for example, when I type in C I get "Search results: showing All 6 giving me locations 381, 965 etc. To get the word I want I then have to type in the location number.What I want is the Oxford Thesaurus exactly as it is in book form, where I print in the letter and get the page immediately.I wouldn't recommend the thesaurus to anyone.

The Oxford Large Print Dictionary, Thesaurus, and Wordpower Guide provides three books in one lightweight, easy-to-hold format. The dictionary has over 40,000 words, phrases, and definitions, while the thesaurus offers more than 60,000 alternative words. The dictionary and thesaurus entries are presented in a clear, open design, and are supported by the Wordpower Guide. The Wordpower Guide helps you to expand your vocabulary, and contains sections on countries and capitals, collective names for animals and birds, and tips on commonly confused words. Its clear page layout, endorsed by and designed in association with the Royal National Institute of the Blind, offers enlarged fonts, larger margins, generous line-spacing, and good quality paper, making it quick and easy to find the word you need. Special attention has been given to the binding and choice of paper, ensuring that there is minimum "glare" and "show-through." Ideal for both adults and students, particularly those with visual impairment, the Oxford Large Print Dictionary, Thesaurus, and Wordpower Guide is a valuable reference tool for use at home, school, or the office.
