The definitions are dead accurate and the thesaurus is a God send for students who need to expand responsive essays into their own ideas and words. There is no pronunciation key, but the words are properly categorized grammatically and easy to look up; pronunciation would

have cluttered the pages way too much.9 of 9 people found the following review helpful. Mini DictionaryBy IsisI really liked that I could just throw this dictionary in my pocketbook. Sometimes when I'm reading and don't understand the meaning of a word, or its a totally new word that I would like to add to my vocabulary, it's very nice to be able to pull out my dictionary right there on the spot.0 of 0 people found the following review helpful. The Perfect pocket dictionaryBy K. F. PeteThis book is really pocket size but the font is still readable. Though it is not as exhaustive as a full size one it is great for travel and on the go.

Combining two essential language resources in one small package, this marvelous combined dictionary and thesaurus offers a portable, compact, and convenient reference to the English language. The Oxford Mini Dictionary Thesaurus is small enough to fit easily into a bag or backpack, providing help with studies and solutions to everyday language problems and puzzles, wherever you may be. Containing over 40,000 words, phrases, and definitions, and over 65,000 synonyms--all of the words you need to know for everyday use--this Second Edition features an attractive new design so that you can find what you need easily. The new design includes a closer meshing of the dictionary and thesaurus text, so that the synonyms for a particular word sit directly alongside the definition of that word, so that you have the meaning of a word and alternative word choices in one handy place. In addition, a new center section packed with language reference information makes this dictionary and thesaurus a one-stop tool that will help to solve your grammar and spelling queries. The perfect resource for people on the go, Oxford Mini Dictionary and Thesaurus blends portability and authority in the most comprehensive reference work of its size.
