This is a great book for pre-schoolers!By Amy LevinI checked this book out of the library and it is wonderful! I am using it to teach my 3 year olds Spanish. There are colorful pictures by category, for example, animals, with the English and Spanish names for each word. It is too bad that this book is out of print!1 of 1 people found the following review helpful. Buyer bewareBy Joyce BrownThis is a very outdated version. I purchased it thinking it was the latest model, but there really is no way to tell from the info provided.

Teaches English as a second language to Spanish speakers through the use of pictures dealing with everyday topics such as the body, post office, law, travel, and family.
