Loved it!By Caio TutuExcellent dictionary, strongly recommended!Well organized and probably the most complete we can find for a Portuguese-English dictionary. It's a must-have for teachers, learners and translators who works with these languages!0 of 0 people found the following review helpful. Five StarsBy Antonio UbirajaraExcellent Dictionary0 of 0 people found the following review helpful. Finally!By sweaterheadI have been waiting for years for a decent bilingual Portuguese - Ingles dictionary!

Endorsed by academics worldwide, the Oxford Portuguese Dictionary is the most authoritative English-Portuguese /

Portuguese-English dictionary ever published. Based on real modern evidence and computational analysis of hundreds of millions of words of both English (American and British) and Portuguese (Brazilian and European), the dictionary boasts more than 200,000 words and phrases and 320,000 translations. This up-to-date resource has been designed for both Portuguese and English native speakers and includes the latest vocabulary from computing, business, and the media, across both languages. The organization and layout have been designed for maximum clarity and ease of use. The most commonly used sense of each word is shown first, helping you to identify and understand the correct meaning, and more than 130,000 real-life example phrases help you interpret meaning and usage accurately. The dictionary is also packed with extra features including cultural notes throughout the text as well as Portuguese verb tables and a list of irregular English verbs. Produced using the unique dictionary resources of Oxford University Press with an international team of expert advisors, the Oxford Portuguese Dictionary is a groundbreaking work, essential for any serious student of Portuguese and English, as well as academics, professionals, business people, teachers, and translators.
