I didn't have time for evenings at a Community College. Rosa Martin's book was recommended to me. The lessons quickly focus on the practical (asking directions, going to stores, etc.). language schools. Martin's book is the best of it's type.0 of 0 people found the following review helpful. Five StarsBy Thomas A.great product and good service thank you0 of 0 people found the following review helpful. Five StarsBy I. GreenbergsVery good! Fast service. Item as described.
