**Oz Clarke : Oz Clarke's Pocket Wine Book 2014** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oz Clarke's Pocket Wine Book 2014:

0 of 0 people found the following review helpful. A good worthwhile guideBy AmadeusI have found this to be a really

worthwhile purchase and would not hesitate to recommend it to any with an interest in wine. My only (slight) criticism is that it is only in alphabetical order and everything is lumped in together, rather than separated into sections geographically or by wine type. However, it is full of good information. 0 of 0 people found the following review helpful. Best book for the wine interest, especially for the non-professional. By CJ van Dijk This book I buy every year. It is easy to use (if you know the base of wine knowledge). It describes not only the fancy wines but gives a lot of names you just can buy in your local super-market. It is very wide angled, wines all over the world are described. Top. 0 of 0 people found the following review helpful. Highly recommended. By John S. Miller I buy it every year. A great summary in an easy to carry book. It helps me decide what wines are ready to drink each year when I review what's in the wine cellar.

All the wine information you need right in your pocket! The 22nd edition of Oz Clarke's classic Pocket Wine Book has more information, recommendations, sheer facts, passion, and opinion than any other comparable guide. Meticulously updated and designed for optimum browsing, it includes a country-by-country index to over 4,000 top wine producers, detailed vintage charts, maps, illustrations of labels and bottles, and more.

About the Author A former leading West End actor, Oz Clarke is one of the world's best-known wine experts, whose formidable reputation is based on his extensive wine knowledge and accessible, no-nonsense approach. Known for his phenomenal palate, irreverent style, accurate predictions and enthusiasm for life in general, Oz is Britain's most popular wine writer and the author of a collection of bestselling books about wine. He also broadcasts extensively on BBC television and radio.
